Red Dots

If a child receives a red dot on their bag, they need to take the bag back to the tuckshop. Red dots are used for change over \$2.00, for menu items that need to be collected (ie ice blocks) or in the unlikely event that there is another issue with the order.

How You Can Help

The Tuckshop is a service of the Corinda State School P&C for the benefit of the whole school community.

The Tuckshop relies on **volunteers** to operate effectively. Please contact Keith if you are able to help on a regular or ad hoc basis.

If you are unable to volunteer, perhaps you can help by making **home baked items** for sale. Recipes that comply with Queensland Government "Smart Choices" can be provided. Please contact Keith if you can assist.

"Smart Choices"

The Queensland Government's "Smart Choices" Strategy informs what can be sold in the Tuckshop.

We sell a range of foods from the Green ("Have Plenty") and Amber ("Select Carefully") categories.

These are indicated on the menu by green ● and amber ● dots.
