AREAS OF RESPONSIBILITY

Principal

The Principal is to negotiate a position with students and parents who are not meeting the dress code. Should a student be inappropriately dressed the Principal or nominee will offer appropriate items from the school's bank of uniforms. In relation to inappropriate dress, the Principal or nominee will take action that prevents risk to students or others, or action maintains normal school operations. The Principal will inform the student's parents or carers of the matter if deemed necessary (i.e. if this is a repeat occurrence).

Parents

Parents are responsible to provide and maintain the appropriate uniform. They are to ensure their children are appropriately dressed each school day. It is also the parents' responsibility to ensure all children's clothing items are clearly labelled with the student's name.

Students

Students are responsible for wearing the uniform in a manner that shows pride in oneself and promotes the good image of the school. They are also responsible for checking lost property for missing items.

Parents and Citizens Association

The Parents and Citizens Association will endorse the Student Code of Dress. The Corinda State School Parents and Citizens Association and the School Chaplaincy Program will ensure a suitable bank of uniform items (in reasonable condition) is available to the school for daily use.

The Parents and Citizens Association will review the uniform policy as required and modify in consultation with the school administration and community. The Corinda State School Parents and Citizens Association will continue to make available the full range of uniforms through the school uniform shop.

Teachers

Teachers will encourage children to adhere to the dress code and ensure children wear protective clothing and equipment as required. If a child is inappropriately dressed, the student will be sent to the Principal/nominee to access appropriate items from the bank of uniforms held at the school.
